—By a recent postal decision men  
can actually make money by getting  
their bills and statements of accounts  
printed. Statements of accounts and  
bills of sale when made out on paper  
having printed headings, can be sent  
by mail for one cent, if the envelope  
is left unsealed; whereas, if it is made  
out on unprinted paper, it will cost

WHO IS MRS. WINSTON?

As this question is frequently asked, we  
will simply say that she is a lady who  
has, for upwards of thirty years, has  
successfully conducted her clinic and medical  
practice among children. She has  
mainly studied the constitution and wants  
of this numerous class, and as a result  
of this effort, and practical knowledge,  
obtained in a lifetime spent as nurse  
and physician, she has compounded a  
Soother Syrup for children, teething.  
It operates like magic—giving rest and  
health, and is moreover, sure to regulate  
the bowels. In consequence of this article,  
Mrs. Winston is becoming world-renowned,  
as a benefactor of her race; children  
do rise up and bless her; especially is this the case in this city.  
Vast quantities of the Soother Syrup  
are DAILY sold and used here. We  
think Mrs. Winston has immortalized  
her name by this invaluable article, and  
we sincerely believe thousands of chil-  
dren have been saved from an early  
grave by its timely use, and that millions  
yet unborn will share its benefits,  
and unite in calling her blessed. No  
MOTHER has discharged her duty to her  
suffering little one, in our opinion, until  
she has given it the benefit of Mr. Wins-  
ton's Soother Syrup. Try it, mother-  
ly! IT IS NEW.—Ladies' Visitor, New York  
City. Sold by all druggists. 25 cents a  
bottle.
